the existing parliamentary constituencies of Ireinnd or the existing divisions thereof, and elected by the parliamentary electors in those constituencies

mentary electors in those constituencies.

The Irish Legislative Assembly, when summoned, may, unless sooner dissolved, have continuance for five years from the day on which the summons directs it to meet, and no longer.

After six years from the passing of the act the Irish Legislature may alter the qualifications of electors and constituencies, provided that in such distribution due regard be had for the population of the constituencies.
